Fixing the pay of the post of the Revenue Officer of the Mysore Adg-Dlg

U O NO 568 /CSA DATED 20-12-54

Returned with the following remarks

3 The question of fixing the pay of the post afresh now and confirming Sri B Thimmaiah, on a tenure basis, against the post of the Revenue Officer will arise only when the post is held outside the cadre of Amildars The Accountant General, Mysore, Bangalore, may, therefore, be addressed for intimating whether this post falls within or outside the cadre of Amildars

4 If the post falls outside the cadre of Amildars (on which point the opinion of the Accountant General may kindly be obtained as stated in para 1), there is no objection to confirm Sri B Thimmaiah on a "Tenure Basis" as Revenue Officer with effect from 1-4-1954, viz , the date from which the pay of the post may be fixed at Rs 200-20-300, subject to sanction of Government under Arts 42 and 73 of the Mysore Services Regulations

5 But having regard to Official Memorandam No Ch S 12711-821/Misc 108-54-1 dated 20-9-1954 issued by the Chief Secretary to Government, in the matter, to the effect that the pay drawn on the tenure post would not count for pension, it may be stated that even the present proposal to confirm Sri B Thimmaiah, on a tenure basis, would not confer any additiona benefit on him

6 According to Clause(g) of art 305 of Mysore Services Regulations even without a confirmation on tenure basis, he would be elegible for counting his pay drawn on officiating or temporary basis, for the purpose of pension

Letter No A1-3584/52-53 dated 26th July 1954 from the Revenue Commissioner in Mysore, Bangalore to the Secretary to the Government of Mysore, Revenue Department, B a n g a l o r e

Sub - Representation of Sri B Thimmiah, B A , Ag Amildar, O O D. as Revenue Officer, Mysore City Municipality

In enclosing herewith the representation dated 5-3-53 of Sri B Thimmiah Ag Amildar, O O D. as Revenue Officer, Mysore City Municipality requesting that he may be confirmed as Taluk Sheristedar and Amildar retrospectively, I write to state that the Deputy Commissioner, Chickmagalur who was requested to report in the matter, has stated in his letter No M2-P.R 523/53-54 dated 1-6-1954(copy enclosed) that it cannot be explained at this distance of time as to why Sri B Thimmiah was not confirmed although orders were issued in this office in No C 6478/40-41 dated 20/21-8-1941 to confirm him in the next vacancy in the grade of Taluk Sheristedar from 1-1-1947 although there was a vacancy and he was the seniormost official as per gradation prepared on 1-1-47 and that as the vacancy admits of confirmation from 1-1-1947 may be confirmed even now with effect from that date The Deputy Commissioner has also added that it is not known why case for confirmation was lost sight of when two of his juniors were confirmed

2 Sri B Thimmiah has also requested that he may be confirmed in the grade of Amildar and granted weightage in the grade of Taluk Sheristedar besides requesting confirmation in it

3 As regards his allocation, it is seen from the report of the Deputy Commissioner, that Sri B Thimmiah being made S P.T. in the grade of Taluk Sheristedar prior to 1-1-47, his pay has been fixed at Rs 108/- as on 1-1-47, the same as he would have got even he if were confirmed and that therefore Sri B Thimmiah has not lost anything by way of monetary benefit/postponement of his confirmation

4 As regards his request for confirmation in the grade of Amildar, it is seen that his is 23rd rank among the acting Amildars and that if his request for confirmation from November 1947 is to be conceded he will have to go over a number

a number of officers who are already Assistant Commissioners Even if he were to be considered for confirmation in any vacancy available now, it would mean superseding 22 of his seniors. This request of his cannot therefore be accepted.

5. As regards his request for confirmation in the grade of Taluk Sheristedar, in Chickmagalur District, I request that orders of Government may be passed confirming him with effect from 1-1-1947 in an available vacancy as the period exceeds my powers of confirmation.

6. An extract from the allocation statement of the Chickmagalur District relating to Sri B.Thimmiah is also enclosed.

Sir,

Subject - Fixing the pay of the post of the Revenue Officer of the Municipality and to confirm Sri B Thimmiah, present incumbent, against that post on a tennure basis

---

Sri B Thimmiah, the present Revenue Officer of this Municipality, submitted a representation on 23-4-1954, requesting that he may be confirmed as an Amildar against the post of the Revenue Officer of this Municipality A copy of his representation is herein enclosed for the kind information of Government

How far, his request could be recommended for consideration, in accordance with the Mysore Service Regulations, was first examined The services of an Officer drawn from the cadre of Amildars of the Revenue Department in grade Rs 200-20-300, according to the revised scales sanctioned with effect from - 1-10-48, for Amildars in C O No Fl 4081-4161/S & A 14-48-7 dated 4-11-1948, are being spared from time to time to this - Municipality by Government, for being employed as the Revenue Officer of the Municipality But the scale of pay of the post of the Revenue Officer as such, has not been fixed by Government This post of the Revenue Officer does not appear to have been included in the sanctioned strength of Amildars in the Revenue Department So far as the quality of work and character of the Officer in question as concerned, in my opinion, it deserved appreciation

P T O

With these facts, the representation of the Officer Sri B. Thimmiah, was placed before the Managing Committee of the Municipal Council for consideration, at their meeting held on 19-5-54. They resolved to recommend to the Municipal Council, that the pay of the post of the Revenue Officer, may be fixed at Rs. 200-20-300 from 1-10-1948 and that Sri B. Thimmiah may be confirmed against this post on a tennure basis with effect from 15-5-1952, the date of his joining duty in this Municipality.

This recommendation of the Managing Committee came up before the Municipal Council for consideration at their meeting held on 6-7-54. Agreeing with the views of the Managing Committee, they resolved that a recommendation may be sent up to Government to fix the pay the post of the Revenue Officer at Rs. 200-20-300 with effect from 1-10-1948 and to confirm, Sri B. Thimmiah, against that post, on a tennure basis, with effect from 15-5-1952, the date of his joining duty in this Municipality. A copy of their resolution No 308 dated 6-7-54 is herein enclosed.

This proposal does not involve any extra cost to the Municipality, immediately. If, inconsequence, of this, the Officer becomes entitled to get a better pension or gratuity on his retirement, only then the Municipality will have to reimburse to Government its increased share of pensionary charges, determined according to ~~rate~~ rule of ~~propositions~~ proportions

In this connection kind reference is also invited to Government order No. Pl (B) 2272-372/C R 2-54-1 dated 20-5-54 regulating the transfer of officers from one Department of - Government to another. The present proposal to fix the pay of the post of the Revenue Officer at Rs. 200-20-300, will be in accordance with the directions contained in paragraph 5 of this Government order dated 20-5-1954.

In these circumstances, I request that orders of

orders of Government, sanctioning the resolution of the Municipal Conncil, above referred to, may kindly be obtained and communicated, at an early date

Respected sir,

I beg to submit the following few lines for kind consideration and recommendation to Government for kind orders

I was started in the year 1929 as a Probationary Revenue Inspector and I continued as such for about 9 years and then I was promoted as Taluk Shirastedar and Chief Officer, and finally I was promoted as Amildar From the year 1947 November, I am working as acting Amildar Throughout my service I have been working to the entire satisfaction of my superior officers and to the benefit of the public in all walks of service I was entrusted with But in all cases of promotion much injustice was done to me Consequently I still continue to be an acting Amildar, whereas, Sri C S Ramaswamy, Rajagopala Iyengar and Revanna and a few others who started service had the benefit of all promotions Somehow, inspite of my continued honest, sincere, hard and efficient work, I was not given the advantage of weightage when I was promoted as Amildar

I was given this chance of an Amildar very late as the list of Amildars, for some reason or other, was not prepared in time Even when the question of S P T was taken, my case has been left out Now I have put in nearly 25 years of service and I have hardly 5 years more for superannuation, and as matters stand I may not be able to reach the maximum grade as Amildar and earn full pension if I am not confirmed and given the benefits of increments for the services rendered by me so far, since 1947 November to April 1952

Hence I humbly submit that I may kindly be confirmed as Amildar in the vacancy of the place of Revenue Officer which is vacant since a long time, from the date I was promoted as Amildar without prejudice to the seniority or benefits of the others, for this simple, just and good reason that none of these acting amildars have served such a long period of 10 years in Local Bodies and such a confirmation will not interfere with the interest of my colleagues, which will be of some help in this tail end of my service

I beg to remain,
Respected sir,
Yours obediently

Thimmish, on a tenure basis would not confer any additional benefit on him

2. According to clause (g) of Article 305 of Mysore Service Regulations even without a confirmation on tenure basis, he would be eligible for counting his pay drawn on officiating or temporary basis, for the purpose of pension Further Sri B Thimmish is the twenty-first officiating Amildar and has twenty officiating Amildars above him awaiting confirmation. His request for confirmation retrospectively from 1-10-1948 in preference to his seniors cannot be accepted He is borne in the cadre of officiating Amildars and he has to take his chance according to his seniority. His claims are untenable and conceding the same would set up an unhealthy precedent

3. In these circumstances, the proposal of the Municipal Council does not commend itself to Government.

Yours faithfully,

Transfers of Government Servants

Issues certain instructions regarding —— from one Department of Government to another

OFFICIAL MEMORANDUM

No Fl (B) 2272 372—C R 2 54 1, dated Bangalore, the 20th May 1954

The Accountant General has brought to the notice of Government several instances in which official drawing higher scales of pay in their parent departments are transferred to other departments of Government for holding posts carrying lower scales of pay and allowed to draw increments in the higher scales for duty performed in such lower posts This procedure is highly irregular The following instructions are therefore, issued for the guidance of Heads of Departments in this behalf

2 As a general rule, the transfer of a Government servant from one Department of Government to another should not ordinarily be made except in special circumstances necessitated by the exigencies of public service Prior sanction of Government should be obtained for such transfers

3 When a Government servant is permanently transferred from one Department to another, he will draw the minimum pay of the time scale of the post to which he is transferred or the pay admissible to him in accordance with the provisions of the Mysore Services Regulations The fixation of pay in the new post should be finalised as early as possible Once the initial pay is fixed in the new post the Government servant will thereafter cease to have any connection whatsoever with the post which he originally held in the parent Department

4 In cases where it becomes necessary to depute a Government servant from one Department to another on special temporary duty for the performance of which there is no permanently or temporarily sanctioned post the Government servant so deputed will continue to retain his lien in the parent Department and to draw increments in the grade of the post in his parent Department only

5 In practice deputations from one department to another are also ordered against sanctioned posts in the new department Such transfers on the basis of deputations should not generally extend beyond five years Officials drawing higher scales of pay in their parent departments should not generally be deputed to work against posts carrying lower scales of pay in other departments and allowed to draw the pay or salary that they would have drawn from time to time in their parent departments If however it is considered absolutely necessary to depute officials against posts on lower scales of pay the correct procedure would be to create with the sanction of Government in the offices to which they are deputed temporary special posts on scales of pay identical with those in their parent departments in lieu of the posts previously sanctioned on lower scales of pay The duration of such special posts will be coterminus with the period of deputation of the incumbents concerned

6 The above provisions should be deemed to apply to all cases of transfers and deputations now in force as well as to cases that may arise in future
